1979 Ford F100.

Complete truck. I have a brand new black leather seat cover + foam to re-work the entire seat. New plug wires. New rotor cap. New fuel pump. Only dent is in top of tailgate. Needs paint no doubt. All lights work. Truck will crank and run but whenever it the engine gets warm it dies. Has a 302 engine with and 3 speed transmission on the column. Shifts great. new tires and new hub caps.

Clean title.

Wanting to see what everyone has to trade. Looking for an older chevy. But send in whatever you got or make me an offer at 601-618-8866
